

Environmental and Sustainability Policy Statement

Statement of Intent

At EFA Engineering Limited, we're committed to environmental responsibility beyond the minimum requirements. It's ingrained in our strategy to reduce our impact, consistently enhance our environmental performance, and champion a wider sustainability movement. We invite and encourage our customers, suppliers, and stakeholders to join us in this endeavour.

The following key objectives act to serve as guidelines in the implementation of our Environmental Policy:

- Continually improve and monitor environmental performance.
- Continually improve and reduce environmental impacts.
- Minimise the impact on sustainability of all office and transportation activities.
- Increase employee awareness.
- Minimise the use of paper in the office.
- Favour more environmentally friendly and efficient products wherever possible.
- Reuse and recycle everything we are able to.
- Promote the use of travel alternatives such as e-mail or video/phone conferencing.
- Continually improve and monitor environmental performance.
- Continually improve and reduce environmental impacts.
- Incorporate environmental factors into business decisions.
- Update this policy at least once annually in consultation with staff and other stakeholders where necessary.

This statement establishes and confirms our Environmental & Sustainability policy in respect of all parties working within or on behalf of the business. As Managing Director, I accept the Policy and its implementation in relation to all of those areas that fall within my responsibility.
